SPECIAL SPIRITUAL CARE EPISODE ON MENTAL HEALTH

Register Online

Research suggests almost everyone will be impacted by mental health issues at some point in their lives.

Spiritual caregivers are highly likely to encounter people who they provide spiritual care for who have some mental health challenges. Both understanding of the complex issues and effective spiritual care is critical.

This stand alone Episode of the Spiritual Care Series provides a practical introduction and awareness to mental health care with an emphasis on the older person, however the principles learned can be applied to people of all ages who are mentally challenged.
