

“This course was like...God handed it to me on a silver platter, so that I can listen, love and serve people much more deeply, wisely. Look at the timing! In our need, God provided. As before, indebted to you for offering the course.”

AN 8-WEEK TRAINING PROGRAM

Designed to help develop a deeper understanding of how to accompany older adults in every aspect of their journey, whether they are living at home or are in Long-Term Care.

WHO SHOULD PARTICIPATE

This training is beneficial for family members, staff of Seniors Care facilities, Spiritual Care volunteers, Church leaders, and others who desire to serve and care for older people.

Medical science has brought about countless breakthroughs in the way we care for older people. But it has also led to a realization that physical and mental health are essential – but not enough. True, holistic care means understanding and supplying their spiritual needs as well.
